Yonex Switzerland is continuing its tradition in building activities for non-licensed Badminton players. That is, for all of you, even if you just started playing Badminton! This season, we have former World Number 20 Andrew Dabeka joining us with the workshops. He is an excellent coach. And like the last two seasons, you can rely on Lawrence organizing very attractive tournaments throughout the season.

This year, we will end the season with the big highlight, the Schweizermeisterschaften für Nicht-Lizenzierte (SMNL). We believe and hope the events we offer will suit your needs and fit your calendar.

The events we offer will take place at one of the best Badminton Halls in the World, the Yonex Badminton Halle @ Letzigrund in Zurich. You will learn a lot, and you will have a lot of fun. Please share the spirit and tell all your friends about the events - see you there!
